Over the Entire Earth.  
Read What They Say.

MRS. M.M. MARSHALL

**Catarrh of Digestive Organs and Bowels.**  
MRS. MARY M. MARSHALL, Tip-ton, Mo., writes:  
"I suffered three years with catarrh of the digestive organs and bowels. I was unable to find relief, until as a last resort I was induced to try Peruna."  
"I began the use of Peruna when I was confined to the bed and can say that I experienced benefit from the first dose."  
"I have taken five bottles in all and believe that I am cured of my trouble. I am enjoying as good health as an old lady of my age could expect. My age is 77."

"I recommend your medicines to sufferers whenever I meet them, and some of my friends are using them with great success."  
"I will always feel grateful to you for your grand medicine and kind advice and trust that many others may be as greatly benefited as I have been."

**Pe-ru-na For Bowel Trouble.**  
Mrs. L. S. Tinker, 832 Second street, Macon, Ga., writes:  
"Two years ago my grandson suffered with hemorrhages of the bowels and he was treated by different doctors, but without cure."

"We quit all other treatment, and began the use of Peruna, and after the use of three bottles he seemed to be quite well. He is able now to walk six miles to school every day."  
"Peruna has certainly worked wonders for him, and I shall not hesitate to recommend it."

MISS ANNA CARSTEN

Miss Anna Carsten, Clayton, Ill., writes:  
"Your medicine, Peruna, did me so much good. I believe I should have been dead by this time if I had not used it."  
"I am feeling so well now and have no trouble with my stomach. I have not taken any medicine for four or five months."  
"If I am ever troubled with anything of the kind again, I shall take nothing but Peruna. I can cheerfully recommend it to my friends."

**A Severe Cough.**  
Mrs. Emma Martin, Odessa, Mo., writes:  
"I cannot thank you enough for curing me. For two years I doctored my cough which cost me many dollars, but still I seemed to get worse. My cough was so bad I could not sleep."

"Finally I purchased a bottle of Peruna. I took it according to directions, and in a short while I felt better, and after I had taken a second bottle I felt entirely well."  
"After the use of six bottles I feel that I am cured, and therefore recommend this grand medicine to all who suffer with a cough as I did."

MISS EVA SCHELLE

Miss Eva Schelle, 127 N. Quincy St., Topeka, Kas., writes:  
"I unhesitatingly recommend Peruna as a splendid specific for catarrhal affections. I was a sufferer with this trouble off and on for a number of years and each fresh cold added to the difficulty."  
"Finally I began taking Peruna for a cold and was glad to note that it was ridding me of the catarrh also."  
"I continued to use it faithfully and the result was a complete cure in a very few months."

MRS. CHRISTINA CLOW

Mrs. Christina Clow, 411 E. Platte Ave., Colorado Springs, Col., writes:  
"I have taken Peruna off and on for six years and have found it very beneficial in a great many ways."  
"I took it for a cough and a cold, also for catarrh of the head, and it cured me. I took it for a tonic and it gave me strength. I have every reason to speak well of your medicine."

## FAITH THAT CANNOT BE SHAKEN.

Despite everything that sensational magazines may say, the women of the United States continue to have faith in Peruna.

These women know a great deal more about Peruna than the editors who have, for selfish purposes, written against it. These women have tried Peruna in their families. They have taken it themselves. They know it will help them.

They have suffered from various ailments, and Peruna has come to their relief, even when the doctors failed to cure them.

Such women cannot be convinced by any editorial spasm that their favorite household remedy is a humbug. Peruna goes right on in its conquest over disease. Its fame is spreading all over the earth.

Especially among American women is Peruna a beloved household remedy. It is entirely useless for anyone to try to dissuade them from the results of their own experience.

Peruna is a remedy for the mucous membranes. It therefore has a bene-

ficial effect upon the internal organs of the body that are lined by mucous membranes.

For various chronic climatic diseases Peruna is a reliable remedy. The testimonials concerning Peruna are given in the language of the people. We do not change or add to anything they may say concerning it.

The evidence is overwhelming that Peruna is a safe, reliable, invaluable remedy for the household.

**Headache and Backache.**  
Mrs. Franziska Gaengel, Dominion 1, Old Bridgeport Mines, C. B., Canada, writes:  
"I thank you for the benefit which I derived from Peruna. There may be many who are suffering from the same disease that I had, for which they have not yet been able to find the correct remedy."

"For the benefit of such persons I wish to say that I suffered with headache and backache and had a severe cough. I was in bed several weeks and could not do my work. I tried many remedies in vain."

STRICTLY PROPER.  
Old Barnacle Ben sat on a tar barrel and rolled his tobacco in his blistered palm.

"Yes, mates," he related to the crowd, "when I was on that Asiatic cruise I certainly saw some wonderful big fish. Why, off from the island of Borneo I caught a fish that measured ten feet from tip to tip."  
"Come, come, Ben!" protested his listeners. "Fish are not measured from tip to tip. You must be speaking about birds."  
Barnacle Ben frowned.  
"Now, look here, mates," he growled, "I reckon I know what I am talking about. These were flying fish and had wings."

## AEROGRAM GALORE; KAHUKU CAN TALK

(Continued from Page One.)

Kahuku will be able to receive all the way, but how far that station can send with less than half power is a question. Probably within a week or ten days Kahuku will have full sending power. Manager Isbell and Export Isbell await certain insulators and other gear from the Coast, booked to arrive on Monday.

As a receiver, Kahuku cannot be beaten. Last night Isbell heard the transport Thomas, many of the Coast wireless stations, the Hilonian, the Pacific fleet, and, what amused him, he heard the station at Point Loma flashing the entire contents of a letter he, Isbell, had written the Point Loma operator in reference to catching a wireless message from him on September 17. There was Point Loma, over two thousand miles away, sparkling Isbell's letter, word for word, to some other coast station, and Isbell here listening.

"It is amusing to eavesdrop twenty-three hundred miles," said Isbell this morning.

The wireless signals from the coast stations, the Hilonian and the Thomas were all very clear last night. Only the signals from the fleet were faint.

The message from the Hilonian, addressed to Castle & Cooke, the ship's agents, was as follows:

"Hilonian, 927 miles from Honolulu. All well. Passed S. S. Thomas 4 p. m. S. S. Korea now ahead of us. Cruiser Colorado now four hundred miles ahead of us bound for Honolulu. Captain Johnson."

This means that the cruiser Colorado, coming here to join the Pacific fleet is about 800 miles out of San Francisco, approaching the Hilonian which is bound to San Francisco. The transport Thomas is over half-way here and the Hilonian and the Korea, the latter due here Monday from the Coast, passed.

Kahuku this morning tried out her sending apparatus, sending to Lahaina and Puuko and both these latter stations report the signals beautifully clear.
